

**ATWELL COLLEGE**

# Year 9

# Course Selection Handbook

Edition 2024

*Independent Public School*

## IMPORTANT DATES 2024

Payment of Voluntary Contributions and Charges can be made at the College Administration Office prior to the commencement of the school year. The [Secondary Assistance Scheme form](#) can be completed at this time.

### Opening Hours of the College Office prior to Commencement of School Year 2024

**Wednesday 24 January**

**Thursday 25 January**

**Monday 29 January**

**Tuesday 30 January**

**8:45am to 3:45pm**

### Textbook and stationery orders

Campion orders for textbooks and stationery need to be completed by Friday 8 December 2023 for free delivery.

### College Uniform

The Atwell College Board has endorsed the wearing of the College uniform as compulsory for all students in Years 7 to 12. Uniforms are available from the uniform shop operated by Uniform Concepts at: [24/26 Solomon Road, Jandakot WA6164](#)

During the school year, the opening hours of the uniform shop at Jandakot is as follows:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
9am to 5pm	9am to 5pm	9am to 5pm	9am to 6pm	9am to 5pm	9am to 1pm	Closed

Payment can be made by credit card, cash or cheque.

**Students return to school on**  
**Wednesday, 31 January 2024**

## CONTRIBUTIONS AND CHARGES

The following information is provided in the hope of making the school charges and contributions structure clear for parents and carers. Atwell College has directed our efforts towards keeping costs as low and as equitable as possible. The Atwell College Board and Finance Committee have examined the contributions and charges structure in detail and approved the amounts shown in accordance with the School Education Act 1999.

The State Government through the Department of Education provides placement at educational facilities for all students who choose to attend public schools. The Department also pays for the wages of all teaching and school support staff plus costs such as repairs, maintenance and utilities. Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

Contributions and charges go towards a variety of consumable items across learning areas, including Science chemicals, art equipment, ingredients for cooking, student project materials and photocopying

### How much can be charged?

For Years 7, 8, 9 and 10 the maximum voluntary contributions a school may charge is currently fixed at \$235.00, however additional compulsory charges above that figure can be requested for consumables and additional resources. The school can also request a 50% confirmation charge for these years.

### Collecting Contributions & Charges

Given that all students benefit from the pool of collected fees, it is fair to expect that all parents should pay the balance of contributions and charges. This college is committed to an even-handed and responsible approach and it is our expectation that all parents should make contributions towards their children's education.

Atwell College is aware that the payment of contributions and charges can be a financial burden for some families. Part payments, deferred payments and credit card debits are all available to support parents experiencing difficulties. Please contact our Accounts on 086174 2200 to discuss payment options. The college is keen to assist parents in selecting options that they can afford. To this end, subject charges will always be provided to parents prior to selection of subjects. The College Board and the Finance Committee have endorsed and passed all subjects costs charged by the college.

The College Board have endorsed the following actions:

- Regular statements will be sent home to parents
- Approved Specialist Programmes will require a deposit to secure a place.

## PAYMENT OPTIONS

The college makes provision for the following payment options:

**Cash/Cheque/EFTPOS/Credit Card** at Atwell College Reception Administration Building

- **Direct Deposit** to Atwell College

Account Name: Atwell College

BSB: 066-040

Account Number: 19900946

Reference: Student's Name or Student Number

Click the BPoint icon or visit: [Atwell College Website Payments](#)

Description: Name or Student Number Yr CC (e.g. John Smith Yr8 CC)

- By completing the credit card information at the bottom of the Contributions & Charges Sheet and posting to the college
- By telephone, using credit card facilities on 6174 2200
- In person during office hours (cash, cheque or EFTPOS)

## COMPULSORY CHARGES

Extra cost optional courses outside the basic core program incur additional charges above the voluntary contribution of \$235.00. Subjects such as Sports, Visual Art and Food, attract compulsory charges for items such as consumable materials and venue hire. Charges relate to items that students consume over and above what is supplied by the Department of Education and Training. Parents are provided estimated costs for these elective subjects during the Subject Selection process. Please note that there are low-cost subject options available as well. There are no maximum charges set by the State Government. Charges the college has set for the courses are **compulsory** and will depend on the course chosen. Some specific courses will incur higher costs dependent on such items as text, subject-specific resources, materials, excursions, Certificates and work placement.

50% payment is required by Friday 8 December 2023 to confirm placement in selected courses with the balance of payment due by Friday 23 February 2024.

## SPECIALIST PROGRAMMES

Instrumental Music, STEM, Netball and Rugby League are offered as specialist programmes at Atwell College and will incur additional charges above the voluntary contribution. Charges for Specialist Programmes are required to be paid by Friday 23 February 2024.

## BOOKLIST AND PERSONAL ITEMS

Recommended personal and stationery items will be detailed on the booklist sheet. Items may be purchased from Champion (our preferred supplier) or parent/carers have the option of purchasing the required equipment independently.

## EDUCATION PROGRAMME ALLOWANCE

### Closing Date Thursday 28 March 2024 (to be confirmed)

The Education Program Allowance (part of the Secondary Assistance Scheme) is available to secondary students whose parent/carer holds a Centrelink Family Health Care Card, a Pensioner Concession Card or a Veteran's Affairs Pensioner Concession Card. The scheme is available to students up to and including the year in which they turn 18 years of age.

Applications are made by the parent or carer for students enrolled in Years 7 - 12. It is preferable that applications are made prior to the beginning of the school year or as early as possible in Term One. Application forms are available from the college administration and these forms must be submitted prior to the end of Term One 2024.

- \$235.00 Education Program Allowance paid directly to the college
- \$115.00 Clothing Allowance paid directly to the parent/ carer or the college, with the provision to use this towards school fees if not used for the college uniform.

The Education Program Allowance will be paid directly to the college and will be applied to voluntary contributions for Year 7 – 10 (For those parents/carers who elect to pay their clothing allowance to the college, these funds will be deducted from the compulsory charges first.). For Year 11 and 12 students in receipt of the allowance, the money will be applied towards their compulsory charges.

### Processing of Payments

Schools Resourcing and Budgeting Directorate will endeavour to have all clothing payments made to the parent/carer by Friday 31 May 2024 (to be confirmed).

### Late Applications

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation. Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

## VOLUNTARY APPROVED REQUESTS

Under government guidelines, the College requests a Voluntary Contribution of up to \$235.00 for each student. These contributions are used to provide resources for the compulsory learning areas: Mathematics, English, Science, Humanities and Social Sciences, Technologies, the Arts, Health & Physical Education and Languages. The payment of Voluntary Contributions will make a significant contribution to the quality of educational programs delivered. There is an expectation that families who can afford to pay the Voluntary Contributions do so.

### Bus Replacement

A contribution of \$10.00 for replacement of the college buses over a 10-year period. On many excursions, the college buses are used to reduce costs for hiring external buses.

### Chaplaincy Contribution

A contribution of \$25.00 is requested to support the presence of a non-denominational chaplain who is an integral part of the college's Student Services program and is not an employee of the Department of Education (*this contribution may be tax deductible*).

## Information Technology

The Information Technology contribution is \$15.00. The college uses this money to purchase items needed for using computers and to upgrade computers throughout the college.

## Library Contribution

The Library contribution is \$25.00 and goes towards the purchase of periodicals, books and other library resources. The Department of Education provides limited funding to provide resources for this centre.

## P&C Contribution

A contribution of \$25.00 is requested to support the P&C in developing fundraising programs and supporting the Atwell College community.

## OTHER COSTS

### Smartrider Cards

Smartrider cards are issued to all new students following the completion of a Smartrider Application form. The Smartrider card is free, however, the cost of a replacement card is \$5.00.

### Safety Glasses

It is a safety requirement for students to supply their own 'Approved Safety Glasses' for all Design and Technology classes.

### Contributions

Contributions in WA Public Schools are set at a maximum of \$235.00 per student for a nominal curriculum. Funds raised from school charges are expended on texts, resources and equipment essential for curriculum delivery and which are not supplied by the government.

### Textbooks

In some instances, textbooks are made available to students as class sets in order to minimise costs for parents/carers. Please be aware that a replacement cost will be charged if a textbook is lost or badly damaged.

### Calculators

Year 7 to Year 10: A scientific calculator is required – see Champion Booklist (to be provided in Term 3 2023).

### Optional

Other optional costs include but are not limited to camps, excursions, performances, rewards excursions, college balls, college photos and workshops.

## YEAR 9 2024 – COST OF EDUCATIONAL PROGRAMMES

Course	Semester Cost
Basketball	\$30.00
Class Music	\$40.00
Computer Aided Drawing	\$16.00
Dance – Hip Hop and Jazz - Semester 1	\$16.00
Dance – Contemporary and Lyrical - Semester 2	\$16.00
Drama – Commedia and Movement – Semester 1	\$16.00
Drama – Melodrama, Music and Script Work – Semester 2	\$16.00
Fashion	\$10.00
Food – Master Meals - Semester 1	\$100.00
Food – Multi-Cultural Foods - Semester 2	\$100.00
Girls Rugby League	\$35.00
Graphic Design	\$25.00
Human Movement	\$30.00
Information Communication Technology	\$16.00
Japanese	\$32.50
Mandarin	\$26.50
Media – News Broadcasting and Comics - Semester 1	\$16.00
Media – Gaming - Semester 2	\$16.00
Metal Technology	\$120.00
Mixing and Sampling Music	\$35.00
Photography – Photography and the Power of Image - Semester 1	\$35.00
Photography – Photography and the World Around Us - Semester 2	\$35.00
Pregnancy and Beyond	\$80.00
Robotics	\$50.00
Specialist – Instrumental Music: Class Music Compulsory	\$40.00
Specialist – Netball	\$131.50
Specialist – Rugby League	\$37.50
Textiles	\$100.00
Wood Technology	\$120.00
Visual Art 2D – Semester 1	\$50.00
Visual Art 3D – Semester 2	\$50.00

These costs are anticipated costs for 2024 and are subject to change. You will be advised of any changes to the charges for these courses. Please be advised that if courses do not attract viable numbers, they will not run and students will be asked to reselect an alternative course.

## Overview

The focus of schooling in Year 9 is to continue to develop broad educational knowledge and skills.

All students in Years 7, 8, 9 and 10 will be required to enrol in compulsory courses and a selection of elective courses across the learning areas each year. These compulsory courses include English, Science, Mathematics, Humanities and Social Sciences, Health and Physical Education. These courses will become increasingly challenging as students move up the year levels. Contributions and charges for these courses will be detailed on a fee sheet which will be posted to parents/carers after student subject selections are finalised.

A Year 9 student's week will be as outlined below.

	Learning Area	Hours per week
<b>Compulsory</b>	English	4
	Health and Physical Education	3
	Humanities and Social Sciences	4
	Mathematics	4
	Science	4
<b>Electives are chosen in these learning areas:</b>	Health and Physical Education Languages Technologies The Arts	6
	<b>Total hours</b>	<b>25</b>

## Specialist Programmes

The following programmes are designed to meet the needs of selected students in a particular area of the curriculum.

### Academic Extension Programme (AEP)

At Atwell College, our Academic Extension Programme (AEP) is designed to challenge students academically and build on their self-management and reflection skills, developing well rounded independent learners. The College offers Academic Extension classes in four learning areas: English, Humanities and Social Sciences, Mathematics and Science. Placement in these classes is reviewed at the end of every semester.

### Education Support

Atwell College caters for students with a full spectrum of disabilities; from severe intellectually disabled individuals with complex needs in a specialist building to students with mild disabilities in small classes in general learning areas. There is a focus on student centered planning that encompasses the academic programmes as well as social emotional wellbeing of students.

The Kim Beazley Learning Centre (KBLC) building is a purpose built, safe facility for students with special needs. The building is equipped with a hydrotherapy pool, specialist sensory equipment and life skills training rooms and can cater for therapists who attend the school.

### Netball Specialist Programme (NSP) (only available to previously selected students)

Atwell College is endorsed as a Tier 1 Specialist Netball School by Netball Western Australia. This endorsement recognises the Netball Specialist Programme as one of the Top 5 Specialist Netball School Programmes in the state. Students have the opportunity to excel in the sport as athletes, coaches, umpires and officials for the future. Knowledge, strategies and tactics of Netball are assimilated in a progressive way to ensure athletes move from a basic to an advanced level.

### Rugby League Specialist Programme (RLSP) (only available to previously selected students)

Atwell College is one of Western Australia's leading Rugby League schools. The school-based Rugby League Specialist Programme is an elite sporting programme developed by Atwell College in conjunction with the National Rugby League Western Australia. The programme helps engage students at school and provides outstanding opportunities to develop specific skills, knowledge and experiences.

## Elective Subjects 2024

In addition to the compulsory courses for all students, Year 9 students will be able to choose from an additional selection of elective courses.

All elective selections are completed using the Subject Selection Online (SSO) system. Information on how to access and use SSO will be issued via the student DOE email address as shown in the college database. Please ensure that these details are up to date.

**Parents and students will be able to access the [SSO link](#)**

**Thursday 17 August, 4pm to Friday 25 August, 8am**

Using the SSO system, students will rank their preferred electives for the year from 1 to 10. The elective subjects listed in this handbook will only operate next year if they attract sufficient numbers. The ranked list will assist in placing students in the next available subject, so preferred rankings should be completed thoughtfully.

Where it is not specifically indicated, semester electives will run in either Semester 1 or Semester 2. More details will be provided when selecting electives in SSO.

## HEALTH AND PHYSICAL EDUCATION

### Basketball - Semester Elective – 9BBL5/6

- 2023 Course Indicated cost \$30 per semester

In this course, students will learn the fundamentals of basketball and engage in a variety of different Basketball activities and games designed to enhance their skills. We aim to foster opportunities for talented players to participate in competitive Basketball tournaments and help them develop life skills and values such as respect, leadership, teamwork, discipline and sportsmanship, to be demonstrated in a team environment. This option should only be selected by students who will be active participants and are genuinely interested in the game of Basketball.

### Girls Rugby League - Semester Elective – 9GRL5/6

- 2023 Course Indicated cost \$35 per semester

Girls Rugby League is an elite sporting course developed by Atwell College in conjunction with the National Rugby League Western Australia. This course helps engage students at school and also provides outstanding opportunities to develop specific skills, knowledge and experiences. These include game skills, fitness and theory sessions aimed at developing the knowledge of the game and becoming a professional athlete, including nutrition, refereeing and coaching.

The course includes coaching from NRL WA coaches and professionals, competing in competitions (NRL sanctioned) and individual interschool matches and opportunities to coach and referee at primary school events.

## Human Movement - Semester Elective – 9HUM5/6

- 2023 Course cost \$30 per semester
- Prerequisite: B grade or higher in Year 8 Physical Education, Netball or Rugby League

Human Movement has both a theoretical and practical component that allows physically active and sports minded students an opportunity to learn about how humans create movement and cope with the demands of exercise. Students will also have an opportunity to participate in practical based sessions that help develop understanding of class concepts and give them a chance to demonstrate their ability in a sporting context. This course will be useful for students who intend studying courses in Physical Education pathways in either ATAR, General or Certificate courses for Year 11 and 12.

## Netball Specialist Programme – Year Elective – 9NSP5/6

- 2023 Course cost \$263 per year
- Prerequisite: C grade or higher in Year 8 Netball Specialist Programme

Students are selected based on their athletic ability, skill level, behaviour, grades and commitment. See information on the College website for further details.

## Rugby League Specialist Programme – Year Elective – 9RLS5/6

- 2023 Course cost \$75 per year
- Prerequisite: C grade or higher in Year 8 Rugby League Specialist Programme

Students are selected based on their athletic ability, skill level, behaviour, grades and commitment. See information on the College website for further details.

## LANGUAGES

### Japanese - Year Elective – 9JAP5/6

- 2023 Indicative Course cost \$65 per year
- Prerequisite: C grade or higher in Year 8 Japanese

If you would like to broaden life and career opportunities, travel the world, learn about and experience a rich culture and communicate in a popular language, then you may want to consider studying Japanese. You will develop spoken and written language skills to a point where you can communicate with others using the Japanese language as well as experience food and cultural elements of Japan.

### Mandarin - Year Elective – 9MAN5/6

- 2023 Indicative Course cost \$53 per year
- Prerequisite: C grade or higher in Year 8 Mandarin

Are you interested in exploring and learning about other cultures, traveling the world and being able to communicate with the most widely spoken language in the world? You will develop listening, speaking, reading and writing skills at a level that enables communication with other Chinese speakers.

## TECHNOLOGIES

### Design and Technologies

#### Computer Aided Drawing – Semester Elective – 9CAD5/6

- 2023 Course cost \$16 per semester

This course develops students' drawing skills using Industry Standard Autodesk Software. Students will learn how to use software to draw mechanical plans and 3D representations of products using industry conventions. It is highly advisable to take this course if you are interested in occupations such as Drafting, Engineering and or any Mechanical or Fabrication Industry. These skills are highly sought after in Industry.

#### Metal Technology - Semester Elective – 9MET5/6

- 2023 Course cost \$120 per semester

A practical based subject that includes the use of Computer Aided Drawing (CAD) software to design projects made predominantly from metal. Students will be expected to learn and follow Occupational Health and Safety (OHS) Legislation in the workplace to safely use tools and machines commonly found in the metalworking industry. A variety of welding and brazing processes will be taught along with use of lathes and bending equipment commonly found in the Metal Fabrication Industries. Developing hand skills will be a predominant focus in this course. The projects the students make will vary according to their skill level and interest.

This course will assist in preparing students to take on the General courses in Engineering Studies, Metalwork or Woodwork offered in Year 11 and 12.

#### Robotics - Semester Elective – 9ROB5/6

- 2023 Course cost \$50 per semester

Working in small groups, students will assemble, program and operate a LEGO 'Mindstorms EV3' robot. Using the Mindstorms program, they will further develop their ICT skills, linking block-based coding methods with script-based languages, such as C and Python. Students will write, test and modify code for their robot to perform complex tasks, or autonomously solve problems. Students will modify their robot to perform a greater range of functions and solve more complex problems. By doing so, they will develop and apply critical and creative thinking skills and problem-solving strategies. These activities will also promote development of their skills in working collaboratively and in communicating in the context of a small peer group. To undertake this course, it is highly recommended that students bring and use their own laptop or tablet device.

#### Wood Technology - Semester Elective – 9WDT5/6

- 2023 Course cost \$120 per semester

A practical based subject that includes the use of Computer Aided Drawing software to design projects made from wood. Students will be expected to learn and follow Occupational Health and Safety Legislation in the workplace to safely use tools and machines commonly found in industry such as the band saw, router, biscuit cutter and drill press. The projects students make vary according to their skill level and interest. This course will assist in preparing students to take on the General courses in Engineering Studies, Metalwork or Woodwork offered in Year 11 and 12.

## Digital Technologies

### Information Communication Technology - Semester Elective – 9ICT5/6

- 2023 Course cost \$16 per semester

This course focuses on the business and applied side of computing rather than programming, as such it equips students with the essential skills demanded in the modern workplace. Topics such as cyber security, sit alongside the use of computers in business, computing in media and publishing, web design and graphical tools. Students will develop basic to advanced skills in assorted common and specialised software packages from the likes of Microsoft & Adobe. This subject provides a pathway and knowledge for Year 10 ICT and then later, Years 11 & 12 Applied Information Technology.

## Home Economics

### Fashion - Semester Elective – 9FAS5/6

- 2023 Course cost \$100 per semester

Fashion focuses on the design and production of clothing and accessories items using basic commercial patterns. Students will learn sewing techniques such as inserting zips, sewing on buttons and different types of seams. This course gives students the opportunity to personalise their products with a range of machines including overlockers, Circuit, embroidery and more.

### Foods 5 - Master Meals - Semester 1 Elective – 9FOO5

- 2023 Course cost \$100 per semester

A practical course where students will learn to create different dishes suitable for cooking at home using safe food handling and preparation skills. The course focuses on being creative with everyday ingredients and learning how to budget and create modern meals. Students will investigate, devise, plan, produce and evaluate recipes. Communication is key in this course where students work collaboratively to create design solutions.

### Foods 6 - Multi-cultural - Semester 2 Elective – 9FOO6

- 2023 Course cost \$100 per semester

This course examines aspects of nutrition and multi-cultural Australia where students explore a range of social, economic and cultural impacts on the selection and preparation of food, with students then preparing a range of dishes. This course develops advanced skills in food handling, preparation and presentation. Students participate in food design experiments and extend their creativity and skills by investigating, devising, planning, producing and evaluating a wide range of food related topics. The course content focuses on Western Food Trends and Asian Cultures.

## **Pregnancy and Beyond - Semester Elective – 9PRB5/6**

- 2023 Course cost \$80 per semester

In this course students will enhance their knowledge of ‘the miracle of life’ by investigating the various stages and changes the human body goes through to bring a new life in to the world. Students will learn about contraception, conception, foetal development, labour and delivery of a newborn, through a series of interactive and practical assessments. Students will develop an understanding of the physical and emotional changes involved for both mother and newborn. They will also have the opportunity to reflect on their own newborn experiences by constructing and caring for a ‘rice baby’, based on their exact birth weight. Designing and making newborn toys will also be a focus in a fun and creative environment.

## **Textiles - Semester Elective – 9TEX5/6**

- 2023 Course cost \$100 per semester

Textiles is a practical class where students use the technology process to produce their own textile items. Using sewing machines and hand stitching skills students will make personalised décor items for their rooms and a variety of reusable, sustainable solutions from beauty to cooking products. Students will have the opportunity to develop their creative and technical skills through use of simple patterns and learning about the properties and uses of natural and synthetic fibres.

# **THE ARTS**

## **Class Music - Year Elective – 9MUS5/6**

- 2023 Course cost \$80 per year

Music is a universal language. In this course, students cover a wide variety of genres, styles and topics related to music and are provided with an introduction to concepts related to contemporary music production in a practical and interactive way. The course promotes exploration and creativity using current music technology and trends. Background in playing a musical instrument is required for this subject.

## **Dance 5 - Hip Hop and Jazz - Semester 1 Elective – 9DAN5**

- 2023 Course cost \$16 per semester

The Hip Hop & Jazz Dance course introduces the students to new genres and choreography to popular music. There will be a focus on Hip Hop styles such as tutting and breakdance, energetic choreography plus genre specific technique. Students will improve their coordination, balance, strength and flexibility and have the opportunity to perform their Hip Hop or Jazz routine in front of a live audience.

## **Dance 6 - Contemporary and Lyrical - Semester 2 Elective – 9DAN6**

- 2023 Course cost \$16 per semester

The Contemporary & Lyrical Dance course introduces the students to new genres and choreography to popular music. There will be a focus on floor work, improvisation and group work plus contemporary technique. Students will improve their coordination, balance, strength and flexibility and have the opportunity to perform their Contemporary or Lyrical routine in front of a live audience.

## **Drama 5 - Commedia and Movement - Semester 1 Elective – 9DRA5**

- 2023 Course cost \$16 per semester

Students will explore the world of Commedia dell'arte which began in Italy during the 16<sup>th</sup> Century and learn how to create interesting characters through improvisation, slapstick comedy and movement skills.

## **Drama 6 - Melodrama, Music and Script Work - Semester 2 Elective – 9DRA6**

- 2023 Course cost \$16 per semester

Students will explore the world of melodrama, music and scripted performance. Using lights, sound and costume, students will bring a scripted performance to life in front of an audience.

## **Graphic Design - Semester Elective – 9GRD5/6**

- 2023 Course cost \$25 per semester

Using computers and tablets, students will learn the different techniques and ways that graphic designers create illustrations, manipulate photos and master font in Adobe programmes. Access to drawing tablets, cameras, go pros, and much more. Unleash the designer within! This course will assist in preparing students to take on the design courses offered in Year 11 and 12.

## **Media 5 – News Broadcasting and Comics - Semester 1 Elective – 9MED5**

- 2023 Course cost \$16 per semester

In Year 9 Media, students report on the heated news topics challenging society today as part of a news broadcasting project. Following this focus, students are tasked with the creation of a television advert to advertise a product of their choice. Each student fulfils individual roles during pre-production, production, and post-production phases in their production groups. Students use the Canon 200 DSLR cameras and equipment to record in front of the Green Screen Kit. Students also learn to use Adobe Premiere Pro to edit out the Green Screen Kit and replace it with a suitable background relating to the topic to convince their audiences with their persuasiveness for a riveting news segment or advert.

## **Media 6 – Gaming - Semester 2 Elective – 9MED6**

- 2023 Course cost \$16 per semester

Students will learn to create a HTML-web based video game with the help of Adobe Photoshop to create levels, characters, and power-ups. Students will bring these interactive assets to life with Adobe Dreamweaver, ready to be tested with an in-class player base for quality assurance and feedback. Students will subsequently advertise the release of their video game by producing advertising with the viewpoint of being used in EB Games as a selling outlet, using a combination of Adobe Photoshop, Adobe Illustrator, and Adobe InDesign.

## **Mixing and Sampling Music - Semester Elective – 9MSM5/6**

- 2023 Course cost \$35 per semester

Students develop their musical skills to create music works using software and technology. No instrumental skills are required, but always beneficial. A keen ear for beat matching and blending will get you off and running! Will you be the hottest new DJ on the scene? It is recommended that students have their own device that has appropriate software such as GarageBand that they can use which will enable work to be continued at home and provide students with the best opportunity to develop to their full potential.

## **Photography 5 - Power of the Image - Semester 1 Elective – 9PHO5**

- 2023 Course cost \$35 per semester

Students will build skills using a DSLR camera to produce a range of photographic artworks that tell a story and focus on creating meaning. We will also learn the foundations of photography and how to best utilise the camera to create effective images. Students will utilise Photoshop to edit and merge images as well as exploring the elements of art in photography. The projects we will explore include facial merging, storytelling through images and genres of photography.

## **Photography 6 - The World Around Us - Semester 2 Elective – 9PHO6**

- 2023 Course cost \$35 per semester

Students will get introduced to the basics of photography and learn how to use a DSLR camera. DSLR industry-standard cameras will be used to produce a range of artworks that show the world around them. Students will also build their skills in Photoshop to edit and refine images. The projects we will explore include portraiture, video art photography, slow motion light painting and high-speed photography.

## **Visual Art 2D - Semester 1 Elective – 9VA2**

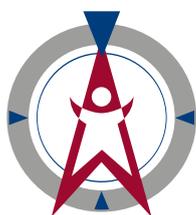

- 2023 Course cost \$50 per semester

Students will be involved in a range of Visual Arts 2 Dimensional artworks, including painting, printmaking and/or drawing. Students will investigate contemporary and historical artists in their artwork and the opportunity to display their work around the school.

## **Visual Art 3D - Semester 2 Elective – 9VA3**

- 2023 Course cost \$50 per semester

Students will be involved in a range of Visual Arts 3 Dimensional artworks, including ceramics (clay) and/or sculpture. Students will investigate contemporary and historical artists in their artwork and will have the opportunity to display their work around the school.
