

ATWELL COLLEGE

Dear Parents and Carers

Welcome to all our new families for 2022 and to all our continuing Atwell College families. At Atwell College student learning is at the centre of everything we do. We endeavour to provide every student the opportunity to grow in their learning and develop into responsible young adults who move into meaningful pathways beyond school.

The money you provide through Student Contributions and Charges are vital in continuing to maintain student equipment and resources to provide your child with the best opportunity for success. We have done our best in requesting the lowest possible Contributions and Charges to enable us to keep the standards you rightfully would expect. The Contributions and Charges are calculated on the basis of all parents paying their fair share and I encourage you to make payments as early in the year as your finances allow.

This package includes the Contributions and Charges that relate to your child for the 2022 school year. We are sending you this information now to allow you time to budget, as we appreciate and understand that there are many demands on the family finances, however, this is an investment in creating a future for your child.

Atwell College also offer a number of payment options to assist with paying these Contributions and Charges, information is available on the Atwell College website. I encourage you to contact the College accounts department as soon as possible on (6174 2209) to discuss your individual needs if necessary.

Kind regards

Brendon Bleakley
Principal
