

23 November 2022

Dear Parents and Carers,

A very warm welcome to our new families for 2023! We also look forward to continuing our partnership with those who are already from a part of our school community.

At Atwell College, we strive to provide high quality teaching and learning experiences that empower our students to thrive, be successful lifelong learners and resilient, prosocial citizens. We place great importance upon developing the whole child. We believe that all our students can reach their potential and achieve their highest educational outcomes within a rich and nurturing school environment that engages and motivates them, and appropriately supports and challenges them to be confident, creative, and successful, and active and informed global community members.

This letter is accompanied by information about the contributions and charges that relate to your child for the 2023 school year. We are sending you this information at this time to provide you every opportunity to plan accordingly, as we appreciate and understand that there are many demands on family finances.

Student contributions and charges are a vital component in our capacity to provide high quality educational opportunities to your child and provide them with the best possible opportunity for success. As such, these funds are an investment in the future for your child. We have undertaken due diligence in ensuring these contributions and charges are cost effective but deliver upon the educational standards you would rightfully expect for your child.

As our contributions and charges are calculated on the basis that payment is made for every student, I would like to encourage you to make these payments at your earliest convenience. Please be advised that we can support with a payment plan should you choose. These can be arranged by contacting our Accounts Department via email [atwell.col.accounts@education.wa.edu.au](mailto:atwell.col.accounts@education.wa.edu.au) or by calling 6174 2209.

Further information can be accessed on our website <https://www.atwellcollege.wa.edu.au/>

Kind Regards

Kolin van der Wal  
Principal
