

Important Information

Ages and Programs

Cockburn Youth Centre is open for all young people aged 10-24 years to drop in. The programs we run during school terms and holidays are available for young people aged 10-17 years only. Young people are able to start using the Cockburn Youth Centre the month they are turning 10 and no earlier.

Memberships

Our memberships are free and are essential for ALL young people attending the Cockburn Youth Centre.

Program Bookings

Bookings for our programs can only be made in person at the Cockburn Youth Centre and payment is required to secure your spot. Phone bookings may be made for programs that are free. Spaces are limited for most programs so it is best to call ahead and check if spots are available.

Personal belongings and Lunch

During the school holidays we may occasionally provide lunch for young people; however it's best to come prepared. We have a fridge and lockers that young people can store their things in. The young people need to be responsible for their belongings when they are here.

Opening Hours and Closing Times

We have different hours for School Terms and School Holidays so please make sure you always check what these are. They are always printed on our programs. We are always closed on Public Holidays.

Hang Out

Free activities and equipment are available for use in our hang out spaces. Some of the things on offer are X-box, PlayStation, pool table, ping pong, slackline and footzball

Where are we?
