# Year 10 Parent Expo Evening

**Tuesday 7th June 5.30 - 7.30pm**

**ATWELL COLLEGE**  
**Upstairs SLB Building**  
entry off Brenchley Drive (east)

Dear Parents and Year 10 students,

Please find below some important information regarding Year 11 course selection for 2017:

## YEAR 10 PARENT AND STUDENT EVENING - 7 June 2016

All Year 10 Parents and students are invited to attend the information sessions of their choice as part of the final preparation for their subjects selections for Year 11 2017. These sessions will take place in the Senior Learning Block.

It is recommended that parents book into the sessions of their choice as rooms have a limited capacity.

Parents can book places in the sessions of their choice via their Parent Teacher Online (PTO) login which will be open for bookings from the 25th May.

To log in to PTO parents should go to the Atwell College home page and follow the link.

***The College uses PTO for bookings to large events and parents will also use PTO to book course counselling appointments.***

## YEAR 10 CHOOSDAY course counselling- Tuesday 21st and 28th June 2016 4-7pm

Over two evenings parents and their Year 10 student need to book an appointment with a course counsellor to select their Year 11 course for 2017 at a time convenient to them in the College Library

Bookings can be made via PTO from Wednesday 15th June 2016.

Course selection will be reviewed and pre-requisites will need to be met in order for a course counsellor to sign off on a course selection.

Course selections will take place via an online program called SSO (Subject Selection Online). Details on how to login to SSO will be made available closer to the course counselling dates.

*N.B. Course selections will be available based on the results from Semester 1 2016 with consideration given to Year 9 NAPLAN results. Students who do not meet pre requisites for particular courses, e.g. ATAR and VET, will not have them available to select as a part of their 2016 course.*

## IMPORTANT LINKS

Online version of the Subject Selection Handbook Year 11 2017 can be found at the College website:
