

Atwell College Therapists in School Agreement

Atwell College is committed to ensuring the best educational outcomes for our students. A minimum standard contract has been developed to promote a collaborative working relationship between Therapists, Parents, and the College.

In the best interests of the student's successful transition into the new school year therapy sessions will not start until **week 4 of Term 1**. This will also allow teachers time to prepare timetables and class routines that will best support long term and committed times for therapist to be able to visit. Please read the requirements below and sign to acknowledge you understand and commit to this agreement.

Parents/Carers

- Parents give permission for Therapists to directly communicate with the College.
- Parent liaises with both therapist and teacher, collaboratively identifying and prioritising goals that are relevant to their education.
- Parents liaise with College and agree on the frequency of the therapy sessions that is in the best interest of the child's education.
- Parents give permission for Therapists to share individual goals with the College.
- Parents give permission for Therapists to share the post session outcome with the College.
- Individualised therapy goals are referenced within the child's IEP and made in collaboration between the Teacher, Therapists and Parents.
- Therapy goals are supported in all environments - home, College, and the wider community.

Therapists

- Therapist to liaise and support home and College regarding strategies/ equipment that assist their client to achieve their identified therapy goals in their IEP.
- Therapists will provide the College a copy of their current WWC card before booking therapy sessions, along with Insurance indemnity and Professional Registration details.
- Therapists work collaboratively with Parents and the College to identify and prioritise goals that are relevant in the College setting.
- Therapists will share post session outcomes with the teacher and family via email **after each therapy session**.
- When relevant, therapists will provide training at the College to upskill Staff.
- Therapist will attend at least one IEP meeting per semester (2 per academic year) to discuss therapy goals and strategies.
